'It's irreverent, absurd, offensive...
but most importantly, funny.'

Who Weekly

A fast-paced sketch comedy show by blackfellas... for everyone!
Featuring a fantastic ensemble cast of Indigenous writers and performers and includes many special guest cameo appearances.

BLACK COMEDY offers up a mixed bag of comedic goodies - observational and physical sketches, historical pieces and parodies of TV, film and commercials - with each episode held together by a longer 'spine' sketch that gives a sense of cohesion and narrative drive.

Meet some of the lively characters including, the Tiddas - two of the most competitive, over the top gay blackfellas; Mavis the mean-mouthed cleaning woman; the Housewives of Narromine and Deadly Dave who can fix anything.

BLACK COMEDY is irreverent, politically incorrect and goes where no other series can go.
